

CELT

Empowerment and Leadership Training

June 24-26, 2019
Radford

CELT Empowerment and Leadership Training, MHAV's flagship educational program, is 3 days of workshops designed to give mental health consumers important tools for successful leadership and the skills to make your voice heard. This training is designed for those that are further along in their recovery and are contemplating involvement in their communities or in the workforce. Many organizations, facilities and localities are seeking consumers to join their boards, committees, and work groups to improve mental health services and focus on high quality services.

19 VCB-approved hours of education will be awarded.

Format: This commuter-style training takes place from 9:00 am - 5:00 pm and includes tuition, materials, and lunch. Participants are expected to arrange their own transportation to the program. Lodging is not provided.

Topics include: Conflict resolution, cultural competency, trauma awareness, group decision-making and much more

Scholarships Available! Apply online at mhav.org

Full and partial scholarships available with preference given to Virginia residents with financial need.
